

Kirsten Meder, CAIA, CMT

Portfolio Manager

Kirsten Meder is a portfolio manager for Hartford Funds. Within the investment team, she acts as the lead portfolio manager of the endowment, liquid alternative, and income strategies.

Kirsten joined the organization in 2010. Prior to joining the company, she was a staff scientist in the astronomy department at Columbia University and a research analyst for Bank of America/Merrill Lynch. She began her career with Hartford Funds as a senior research analyst and became a portfolio manager in 2016. Kirsten has received her Chartered Alternative Investment Analyst (CAIA) and Chartered Market Technician (CMT) designations.

Originally from Santa Clara, California, Kirsten attended the University of California, Berkeley where she received a bachelor's degree in astrophysics and physics. She currently lives in the Bay Area with her husband and their two children.

Investors should carefully consider a fund's investment objectives, risks, charges and expenses. This and other important information is contained in the fund's prospectus and summary prospectus (if available), which can be obtained by visiting hartfordfunds.com. Please read it carefully before investing.
